Experience it all when you sail with Princess

There's so much to experience under Alaska's vast skies: Realizing how sublime just-caught seafood can taste, watching giddily as brown bears frolic in a stream and feeling your heart race as you wind through icebergs on a rip-roaring rafting trip. Before or after your cruise, spend more time in a convenient departure port or a new-to-you city like Seattle, San Francisco, Los Angeles, Vancouver, B.C., or Anchorage (Whittier). No matter whether you choose a 7- or 16-day itinerary, you'll enjoy scenic days of glacier viewing. Browse, book and behold the beauty of Alaska.

ONE-WAY CRUISES

VOYAGE OF THE GLACIERS *TOP-RATED ITINERARY*

7 days

This 7-day voyage includes at least two days of glacier viewing. At Glacier Bay National Park, you'll get close enough to Margerie Glacier to watch sheets of ice crack and boom into the ocean. You'll also experience either Hubbard Glacier or College Fjord, and visit historic Juneau, Ketchikan and Skagway. This cruise is included on every Alaska cruisetour itinerary, see page 34.

ROUNDTRIP CRUISES

INSIDE PASSAGE

4 to 16 days

Chase the wild spirit of the Great Land from Washington's Puget Sound to Southeast Alaska. It's not just about the destination, but also the islands, fjords and bays (over 1,000 of them!) that will take your breath away along the way. In addition to the awe-inspiring scenery, you'll stop at iconic ports such as Skagway, Ketchikan and Juneau.

Alaska

Where it all connects

Glaciers that thunder. Glass-domed trains with views that take your breath away. The unexpected height of North America's tallest peak scraping the sky. In Alaska, Princess owns the experience from end to end.
