# NEW WAYS TO PLAY AT SEA

SEAS THE DAY

Download the Royal Caribbean  
International® App before you sail.

**Stay Connected Even When on Vacation.**  
**Don't have the app? Here's what you're missing out on:**

Complete your online  
check-in and book  
your arrival time.

Link your credit card to your expense  
account during online check-in to avoid  
queues onboard.

Schedule dining  
reservations and activities  
with a few taps and build  
your vacation calendar.

Fast and convenient while avoiding queues.

Track your expense  
account while onboard.

Expenses are in USD and holds may be placed  
on your linked credit card. These serve  
to secure funds for onboard processed  
transactions and are not actual charges.

Chat with family,  
friends and other  
guests onboard.

Available free of charge.

The app is available for free from the Apple App Store and Google Play Store.  
Once onboard, you can use the app for free by connecting to your ship's Guest Wi-Fi network.  
You do not need to purchase an internet package to use the app. In-app purchases available.

# We're counting down the days until you sail with us!

## Here are your next steps to ensure a smooth and healthy boarding day.

### Before you Arrive

Download the Royal Caribbean App and complete your online check-in. Please ensure that your passport is valid for **at least 6 months after your sailing's return date**. We recommend to check-in on the same day as the rest of your travel party to request the same arrival time.

Guests should take note of the vaccination guides for the countries they are intending to visit. Guests may be denied entry/sailing if they do not meet the vaccination and Covid-19 testing requirements.

Start your mandatory guest safety briefing using your Royal Caribbean App on the day of boarding.

Answer the health questions on the app the day before you sail. You'll get an email and app reminder.

Guests must print the luggage tag found in their Royal Guest Document (eDocs – electronic document) and attach it to their checked luggage before boarding. Loose baggage such as paper bags and camera bags should be hand-carried.

### Boarding Day

Parking space may be limited, so we highly recommend being dropped off at Level 2 of the terminal during your arrival time.

Arrive only during your pre-selected check-in/wellness screening time with your entire travel party. All members must check in together. Arriving outside of your appointed time will delay your boarding.

Be sure to keep important items like travel documents within easy reach. You'll need them when you arrive at the port up to boarding the ship.

Once onboard, report to your assembly station reflected on your Royal Caribbean App to complete your Guest Safety Briefing.

### During your Cruise

1

Wash your hands regularly.

2

Avoid touching your face with your hands.

3

Use a tissue when you cough or sneeze and dispose of it immediately.

4

Masks are no longer required onboard the ship but may be required when going ashore as per local regulations.

5

Carry your SeaPass card at all times.

6

All guests are required to complete the Singapore Arrival Card prior to disembarkation. Download the [MyICA Mobile](#) app or click [here](#) to complete.

### Disembarkation

Assigned departure times begin at approximately 7:00 am  
(refer to the disembarkation letter delivered to your stateroom on the last night for more information).
